PPS Statement on Phishing Social Media Advertisements Directing to Fraudulent Website

(Hong Kong, 14 April, 2023) – EPS Company Limited (the “Company”) has become aware that fraudsters have impersonated PPS via phishing social media advertisements and fraudulent websites and offering attractive telecom and mobile device product discount, luring PPS customers to login to their website or fake Mobile App and capture customer’s login credentials, one-time passwords (i.e., OTP), or any other personal information.

Below are the screen capture of the phishing social media advertisements and link of the fraudulent website:

The Company hereby confirms that these social media advertisements and fraudulent websites have no connection with the Company.

The Company hereby reiterates that the correct PPS website is www.ppshk.com, please do not provide any PPS account information through any other website or using hyperlink to access PPS online services. If customers need to use PPS online services, please directly enter the correct website address in the browser or download the official PPS Mobile App from Google Play or Apple App Store. If customers have any doubts, please call the PPS hotline 2311 9876 or report to the police.

The Company has informed the Hong Kong Police Force about the situation. If any customers have accessed the fraudulent phishing website hyperlinks and/or provided login credentials and/or personal information to the fraudulent website, please call our PPS hotline on 2311 9876 as soon as possible.

If customers suspect that they have become victims of fraud, they should immediately report the case at the nearest police station or dial 999 under emergency.
